KATHMANDU NEPAL, 2017

IFMGA GENERAL ASSEMBLY, AUTUMN

KATHMANDU, NEPAL 2017

28 NOV – 1 DEC 2017

KATHMANDU

It gives us immense pleasure to heartily welcome you all here to participate and celebrate in the autumn, General Assembly 2017 of **International Federation of Mountain Guides Association (IFMGA)** in Himalayan country Nepal hosted by **Nepal National Mountain Guide Association (NNMGA)**. You travel long distances serves to remind us all just how important our profession is. We are cordially grateful to you all for you graceful effort to be here with us.

Thanking you all.

ABOUT NNMGA

Founded on April 4 Monday, 2005, **Nepal National Mountain Guide Association (NNMGA)** is a member country representative of **International Federation of Mountain Guide Association (UIAGM/IFMGA)**. This association is established with an objective to unite manpower involved in mountaineering profession and develop their standard activities in mountaineering to provide additional economic support to the nation through such trained manpower. Considering criteria of **International Federation of Mountain Guide Association (IFMGA)**, this association in coordination with concerned line agencies and different organization / Institution is committed to conduct training to produce trained manpower quality service and minimize risks relating to mountaineering. After its establishment, NNMGA started its formal mountain guide education under the supervision of the representative of **International Federation of Mountain Guide Association (IFMGA)**, the course module was signified by IFMGA. Our continuous practice and unbreakable effort on mountain guide education formation for 7 years; we are integrated as member country representative of Nepal to **International Federation of Mountain Guide Association (IFMGA)** on 3rd May 2012.

About Nepal

Nepal is a landlocked country, lying between India and the Tibetan Autonomous Region of China. Nepal contains Mount Everest (29,035 ft; 8,850 m), the tallest mountain in the world. Along its southern border, Nepal has a strip of level land that is partly forested, partly cultivated. North of that is the slope of the main section of the Himalayan range, including Everest and many other peaks higher than 8,000 m. Nepal is officially the Federal Democratic Republic of Nepal.
